

National Women's Martial Arts Federation 5 + 1 Registration Deal

If six people from your school or organization register for NWMAF's yearly conference, the cheapest registration is free! **Please complete this process by June 1.**

Details:

- NWMAF will waive the cheapest registration cost out of a group of 6. This will not take into account other discounts—reduced-cost and youth registrations will be discounted before adult ones, even if the adult in question is getting reduced or comped camp for any reason.
- Exclusions:
 - The discount does not include housing, t-shirts, or vendor tables.
 - All six people must be affiliated with one specific school or organization in order to take advantage of this.

How to Register

1. Contact Events@NWMAF.org with the names of the people planning to register.
2. Have all six people register with the “Invoice me later” option.

You will be able to choose how to apply the discount—whether one person gets it, or it gets split among the group.
